

**PTA Disco – Tuck shop and token**

Last year we introduced a 'tuck token' for the tuck shop, which the children purchase at the door on the way into the disco. This will include their name and how much they have paid, up to a **maximum of £1**. Feel free to send your child with less if you wish, in any 10p increment. This token will then be stamped at the tuck shop every time they spend 10p. Please find below an example of the token.

The following is a rough summary of the tuck being sold at the Junior School Disco.

Drinks (fruit shoot style)	30p
Crisps (various types)	40p
Sweets	10p-30p
Chocolate bars	30p-40p
Fruit yoyo's	30p

Water is always available to the children. You can see from the above list that prices are kept very low, hence why we are not allowing children to bring more than £1 in exchange for the tuck shop token.

**PLEASE TURN OVER FOR MORE INFORMATION**
