Dear Parents,

Curriculum Newsletters for Each Year Group

Please find our termly newsletter attached to today's newsletter. I hope you find them a useful overview of this term's topics.

New Art Work for Twyford

Our art work is up! Do take a walk through the alley way next to Tesco and you will spot our new contributions. This year, the Twyford schools have been depicting annual Twyford events. Many thanks to Mrs Porter, Mrs Long and Miss Davis for working with our children to create this beautiful depiction of Twyford's annual Bonfire Night.

This is timed very well to fit in with the Henley Arts trail, which includes venues in Twyford.

Do follow this link to see where you can go locally this weekend. You might even meet some of our families!

Welcome to Mrs Pritchard

We were delighted to welcome our newest member of staff, Mrs Pritchard, to our school this week. Mrs Pritchard will mostly be working in Year 3, but also in Year 5 and Year 6. We hope you will be very happy in our school!

Well Done to our Polehampton Families - Winners of the Wokingham Small Schools Big Pedal!!!

Our Polehampton schools have come first & second in Wokingham's small schools category. Well done to our Infants in first place with 79.41% walking, scooting or cycling and our Juniors in second place with 71.75%. A big thank you to our families - let's hope this has inspired us to all choose a healthy start and finish to the day, especially now the good weather is here!

NetAware - NSPCC Social Networks Guide

The NSPCC have produced an excellent app and guide to social networks, the ones I believe some of our children are using. It's tag line is "Stay up to date and keep your child safe in today's digital world".

Either go online or download the app to give yourself an insight into the most popular, including minimum ages, what you need to know about each one, news articles, views of parents and children and then a risk rating in different categories such as violence or bullying. Download the app or visit their website.

Anxiety Booklet

Please find attached a booklet about anxiety. The booklet contain tips on dealing with anxiety for both parents and children along with a list of useful websites. (Mrs Medcalf)

Year 6 SATs

As you will know, your child will be involved in SATS shortly. You will all have received a timetable from Miss Cacutt and Mrs Stockdale. The DFE have also produced parent leaflet which we have given to every child today - here is a link for your information. Any questions - do ask your child's class teacher. ["Information for Parents"](#). Year 6 have worked very hard this week, they have been calm and focused - they have certainly enjoyed their chocolates and biscuits too!

PTA update

After a huge effort to find a workable date for pupils, the school, and the PTA Disco team we are sad to say there won't be a disco this term. Year 6 have their Prom in July and we are working together to schedule Autumn term events including the disco for the other years to look forward to.

Please join us on Wednesday 9th May, 8pm, Buratta's for our termly meeting.

Our main focus will be succession planning, confirming spending, and planning for the Summer Fayre (Saturday June 29th).

Luckley House School information

Open evening – Thursday, June 6th at 6 pm

Year 5 Taster days - Thursdays June 13th & 20th.

Open House – most Fridays.
