

Year 6 Newsletter Summer 2019

After a successful spring term, we are looking forward to the summer and many exciting and enjoyable activities. As always, this is a very busy time of year including lots of sporting events, an end of year production, the year 6 residential, and not forgetting SATs!

Water

In the summer, it is very useful for your child to have a water bottle in school to help keep them hydrated.

PE

Please ensure your child brings the appropriate outdoor kit for the whole week - P.E. kits are needed every day. Children will be expected to join in, unless we receive a letter or email.

Swimming Lessons

These will begin in SATs week on Tuesday 14th May, and they will take place on Tuesdays and Wednesdays. Letters were sent home last week. Children will need swimming hats in their house colour and these can be ordered from the office.

Year 6 SATs

SATs week is the week commencing Monday 13th May. It is advisable that your child should have early nights, healthy meals and plenty of water leading up to and during this week. Timetables were handed out at Parents' Evening last term - please ask if you would like another copy.

Revision Books and Homework

Children will continue to use their revision books at home until SATs week. After SATs week homework will be project based, and will relate to the Year 6 Production and Enterprise Day.

Life after SATs

Learning will continue after SATs! A variety of activities have been planned, including, Enterprise Afternoon, a Year 6 Leavers' Production, Leavers' Prom and Graduation Assembly. We will give you more information about these later in the term.

Hayling Island

We are very much looking forward to our week away (1st July-5th July). We will be holding an information evening for parents on Tuesday 21st May at 5pm in Miss Cacutt's room. We will talk to the children about the arrangements for the trip at school, so the children do not need to attend this meeting.

Many thanks for your support. If you have any concerns or queries, please do not hesitate to contact us.

Best wishes,

Zoe Cacutt

Jenny Stockdale
